## ABOUT US

The Woodman is an independent privately owned pub run by Tom Helliwell & family since June 2006. They live upstairs.

Our pub is a homage to Tom's previous places of work around the world during his 35 years in our industry. Mediterranean warmth, a slant of Art Deco & a little slice of Melbourne style shining through.

Our Chef led the team at The Ivy for a decade before becoming a partner in our business.

We have an extensive drinks list to match your mood whether you are after a beer, a glass of wine or something else.
